

# Co-Curriculum at Home

Monday 25<sup>th</sup> May - Sunday 31<sup>st</sup> May

Dear students and families,

Welcome to another week of **Co-Curriculum @ Home!**

Well done to the huge number of students who participated in the program last week.

Secondary Students – don't forget to upload your weekend step count by the end of day today! [Instructions are here.](#)  
Thank you to the Primary Students for your Backyard Bug Hunt submissions.

Well done to **Chanel** (Primary) and **Romero** (Secondary) who are leading the Co-Curricular House Shield Competition. See below for further opportunities to win House Points this week. As today is a student free day, this is an excellent opportunity to try out these activities.

See this week's activities below. You are still welcome to access and engage with last week's activities [here](#) (although some have expired).

**A few important things to note before you engage with these activities:**

- Many of these activities are run by third party websites and are shared in good faith.
- Please always exercise caution online.
- Be extra safe for activities that have a practical element or require use of equipment.
- Primary students should check in with a Parent/Guardian first before participating in activities.
- All participation in this program must follow Marymede school rules & Conduct in the Online Environment information sent by Ms Hall.

Happy exploring!

Ms Angie Bedford
