

# Co-Curriculum at Home

Monday 17<sup>th</sup> August - Sunday 23<sup>rd</sup> August

Dear students and families,

To celebrate National Science Week, there are plenty of Science Themed Activities across P-12 for you try out this week. A big thank-you to Ms Plymin and the Science teachers for all these exciting opportunities.

This week, we are also very excited to launch a P-6 Singing @ Home club. Give it a try!

[Click here](#) to access previous editions of Co-Curriculum @ Home.

**A few important things to note before you engage with these activities:**

- Many of these activities are run by third party websites and are shared in good faith.
- Please always exercise caution online.
- Be extra safe for activities that have a practical element or require use of equipment.
- Primary students should check in with a Parent/Guardian first before participating in activities.
- All participation in this program must follow Marymede school rules & Conduct in the Online Environment information sent by Ms Hall.

Happy exploring!

Ms Angie Bedford  
Cultural Co-Curricular Coordinator P-12

# Years Prep-6 Activities & Competitions

	<h3>Track your Plastic for Science Week!</h3>  <p>It is estimated that more than 1.3 billion tons of plastic waste will flow into the world's oceans and land over the next two decades without widespread intervention. <b>How much plastic waste do you and your family produce in one week?</b> We are challenging you and your families to collect the plastic waste you produce this week. <a href="#">Submit a photo of your collected plastic</a> on Sunday 23<sup>rd</sup> August (in a clear container – good luck fitting it all into a jar, as the keen ecowarrior on the left has done). Prizes and house points will be allocated for the least amount of plastic waste.</p>
	<h3>Singing @ Home!</h3> <p>Welcome to a brand-new series especially for Marymede P-6 students! Whether you're an experienced Primary Choir member, or keen to try out singing, check out this <a href="#">25-minute singing club with Ms Wason</a>. There will be a new episode each week of Co-Curricular @ Home.</p>
	<h3>Science Week Photo Competition</h3> <p>We are searching for Marymede's best crazy scientist. Imagination is the key! Bonus points for creativity and getting your family involved. <a href="#">Take and upload a photo</a> of you being the best crazy scientist 'doing science' at home (by 11.59pm Sunday 23<sup>rd</sup> August). Prizes for ELC - Year 2; Years 3 &amp; 4; Years 5 &amp; 6; Years 7 &amp; 8; Years 9 – 12.</p>
	<h3>Read and Make Slime!</h3> <p>First read <a href="#">Dr Seuss' Bartholomew and the Oobleck</a>, then <a href="#">follow this guide</a> to make OOBLECK: fascinating non-Newtonian slime!</p>
	<h3>Ocean-Themed Science Club: Tuesday 18<sup>th</sup> August, 4pm</h3> <p>Join Yarra Plenty Regional Library (on Facebook LIVE) for a special <a href="#">Ocean-themed Science Club activity</a>, where Slavka will show you how to design a floating garden using recycled materials.</p>
	<h3>Brains On! Podcast</h3> <p><a href="#">Brains On!@ is a science podcast for curious kids</a>. Co-hosted each week by kid scientists and reporters from US public radio, we ask questions ranging from the science behind sneezing to how to translate the purr of cats, and go wherever the answers take us.</p>
	<h3>But Why? Podcast (Years 3-6)</h3> <p>The title pretty much sums up this <a href="#">15-20 minute weekly podcast</a> – it answers lots of science and facts-based questions by experts in the respective field. Understand the world around you by getting answers to questions such as How Do Hurricanes Form? And Is It Ever Ok to Break A Rule?</p>
	<h3>Science Scavenger Hunt (Years 5 &amp; 6)</h3> <p>Mrs Macellari has the clues for an at-home science scavenger hunt to get the whole family involved in some science fun. Have fun with sundial, Alexander Graham Bell, cubes, numbers and much more! <a href="#">Click here to register your interest in the hunt (by August 19<sup>th</sup>)</a>.</p>
	<h3>Student Representative Council Online</h3> <p>Thank you to the 50+ leaders who joined SRC Online last week! Check your emails for the important information from Mr Byrne. There will not be a Zoom this week. The next SRC Zoom is Friday 28<sup>th</sup> August at 1.35pm.</p>

### Dance Club (Years 3-6)

Dance Club is finished for this term. [If you missed out, you can access all 8 episodes here.](#) This is open to any student in Years 3-6, beginners to advanced. Happy dancing! You can also try out Singing @ Home if you're looking for a new activity (scroll up).

### Book Club (Years 5-12)

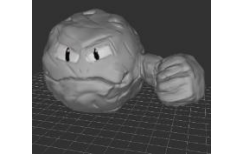

Book Club runs via an online blog. [Click here](#) to get involved.

### Tournament of Minds Online! Wednesday 3.30-4.30pm (Years 5-10)

All team members are reminded about this week's session on Wednesday at 3.30pm via Zoom. You will receive a Zoom invite by email this week. If you would like to be on the Waiting List (in case we need to fill a vacant spot) [click here to register your interest.](#)

# Years 7-12 Activities & Competitions

	<p><b>Track your Plastic for Science Week!</b></p>  <p>It is estimated that more than 1.3 billion tons of plastic waste will flow into the world's oceans and land over the next two decades without widespread intervention. <b>How much plastic waste do you and your family produce in one week?</b> We are challenging you and your families to collect the plastic waste you produce this week. <a href="#">Submit a photo of your collected plastic</a> on Sunday 23<sup>rd</sup> August (in a clear container – good luck fitting it all into a jar, as the keen ecowarrior on the left has done). Prizes and house points will be allocated for the least amount of plastic waste.</p>
	<p><b>Science Week Photo Competition</b></p> <p>We are searching for Marymede's best crazy scientist. Imagination is the key! Bonus points for creativity and getting your family involved. <a href="#">Take and upload a photo</a> of you being the best crazy scientist 'doing science' at home (by 11.59pm Sunday 23<sup>rd</sup> August). Prizes for ELC - Year 2; Years 3 &amp; 4; Years 5 &amp; 6; Years 7 &amp; 8; Years 9 – 12.</p>
	<p><b>Pokémon Digital Sculpting: this Thursday 20/8 at 4pm</b></p> <p>Limited places are available in the Yarra Plenty Regional Library's Pokémon Digital Sculpting Workshop, this Thursday at 4pm. Join and learn how to digitally sculpt creatures and monsters using the web based program <a href="#">SculptGL</a>. <a href="#">Register here!</a></p>
	<p><b>Ableton Music Production (Ages 14+)</b></p> <p>There are a few places left in the Yarra Plenty Regional Library's 90 day Ableton Challenge (starting Thursday 3/9 5.30-6.30pm). Join and learn how to use the industry standard music production software Ableton Live. <a href="#">Register here!</a></p>
	<p><b>Part-Time Genius Podcast</b></p> <p>Will and Mango have lots of questions. Will we ever live without sleep? How do rats keep outsmarting humans? Where are the sunniest tax havens to hide your money? <a href="#">Join these Part-Time Geniuses</a> as they dive into ridiculous topics... and discover some pretty smart stuff along the way.</p>
	<p><b>Games Club: Codenames</b></p> <p>Try this free <a href="#">online version of the boardgame "Codewords"</a>. Rival Codebreakers race to identify which of the 25 Codewords are their own. They do this by listening to their Codemasters, who take turns giving one-word clues.</p>
	<p><b>Musical Theatre</b></p> <p>Are you missing live theatre and musicals? <a href="#">The Shows Must Go On</a> channel brings you showtunes, backstage access and full performances from some of the best loved musicals in history!</p>
	<p><b>Tournament of Minds Online! Wednesday 3.30-4.30pm</b></p> <p>All team members are reminded about this week's session on Wednesday at 3.30pm via Zoom. You will receive a Zoom invite by email this week. If you would like to be on the Waiting List (in case we need to fill a vacant spot) <a href="#">click here to register your interest</a>.</p>
	<p><b>Book Club</b></p> <p>For lovers of all genres of fiction! Book Club runs via an online blog. <a href="#">Click here</a> to get involved.</p>
