5 November 2015

FROM THE PRINCIPAL

Dear Parents, Staff, Students and Friends of our Marymede Community,

The VCAA Unit 3 and 4 exams are in full swing for the Year 12s and some Year 11 students. This can be a difficult time for students and families and I encourage parents to spoil their son or daughter with a favourite meal or simply let them know how proud you are of them.

Changing of the Guard

The “changing of the guard” has taken place at the College with the recent appointment of our 2016 Student Leaders. I gain great energy from listening to their dreams and aspirations as they prepare for their final year of schooling.

Year 10 and 11 Exams

In just over two weeks, our Years 10 and 11 students will begin their exams. I urge them to spend time thoroughly revising, whether by going over notes, doing additional reading or attempting questions from past exam papers.

Secondary Awards Evening – November 12

We look forward to a large crowd in attendance at our Annual Awards Evening which will be held in the Fitness Centre on Thursday November 12 commencing at 7.00pm. I recommend parents arrive 15 minutes early to allow time to park and walk to the centre.

The Awards Evening acknowledges students in Years 7 to 11 who have excelled through their academic achievement, commitment to their studies or through their contribution in another way at Marymede. We also celebrate excellence in the Performing Arts as our College Choir and Musicians perform. All Years 7 to 11 students are expected to attend in full school uniform. I look forward to this significant Marymede Catholic College celebration.

Year 4 First Holy Communion – November 8

This Sunday, our Year 4 students will be making their First Holy Communion at St. Patrick’s Cathedral in the City. This spiritual celebration is one of the most important events in the lives of young students. We will keep them all in our prayers throughout this week.

Year 5 Camp

This week our Year 5 students and their teachers have been away together on camp in Kangarooie. I look forward to chatting to the students about their highlights of the camp upon their return to school on Monday.

Staffing

Next Monday November 9 Tracey Kift, Deputy Principal Learning and Teaching P-12 begins in this newly created role at our College. Tracey is a very experienced educator having been an English Domain Leader at Loyola College and more recently the Director of Learning and Teaching at Assumption College. We wish Tracey a long and enjoyable career at Marymede.

Kind Regards,

Mr. Michael Kenny
Principal

FAITH AND MISSION NEWS

The month of November marks an important transition as we prepare to conclude Ordinary Time in a few weeks. We started with the celebration of All Saints Day (November 1) and All Souls Day (November 2) and will conclude with the feast of Christ the King on November 22 before entering the Season of Advent on Sunday 29 November.

All Saints Day, the day on which Catholics celebrate all the saints, known and unknown, is a surprisingly old feast. It arose out of the Christian tradition of celebrating the martyrdom of saints on the anniversary of their martyrdom. When martyrdoms increased during the persecutions of the late Roman Empire, local dioceses instituted a common feast day in order to ensure that all martyrs, known and unknown, were properly honoured.

Often overshadowed by the two days preceding it, All Hallows Eve (also known as Halloween in secular terms) (October 31) and All Saints Day (November 1), All Souls Day is an important celebration in the Roman Catholic Church remembering all of those who have died and now are in Purgatory, being cleansed of their sins before entering fully into Heaven.

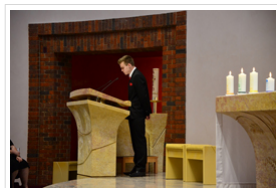

In school, Purgatory was taught to us as a place of “good fire” where souls were cleansed before they entered Heaven en masse each year on All Souls Day. It conjured up a visual image of souls becoming white as driven snow through this process and the mass exodus of souls to Heaven – something that brought relief as we contemplated good and bad choices as young people. Former Pope Benedict XVI, describes Purgatory more as a process of inner cleansing before the final destination of eternal life rather than a physical place. It provides a more credible understanding of Purgatory and All Souls Day.

On All Souls Day we pray for our loved ones and all those who have gone before us. One of the most commonly recited prayers for the departed is:

“Eternal rest grant unto them (Name of person), O Lord, and let perpetual light shine upon them (him/her). May the souls of the faithful departed, through the mercy of God, rest in peace. Amen.”

Classic Catch Competition

On Wednesday at lunch time, the Classic Catch competition kicked off with students from the primary and secondary keen to get involved; including a couple of staff members. The competition worked by having a number of stations set up and after each successful catch from each station, participants would progress to more difficult stations. Stations ranged from testing reaction time and speed, as well as catching ability. At the conclusion of week ones classic catch comp we had two students who were lucky enough to have gone through the stations and set the record with six classic catches.

The Classic Catch Competition will be back next Wednesday with some exciting new stations and more fun for the students and some staff at lunch time. We hope to see more students on the oval testing their classic catch ability.

Nothing Fishy About the Year 7 Art Day

A brilliant day was had by all Year 7 students yesterday. Inspired by the Japanese Koi No Bori Festival or 'Children's Day' in Japan, students worked with teachers and two visiting artists Clare Walton and Molly Braddon to make celebratory fish – a Japanese symbol of strength and resilience. The goals of the day included an opportunity for deeper learning about the arts of another culture, a sustained activity in Art, self-discipline in order to complete a sculpture in a day, team work, problem solving and finally the enjoyment of achieving success!

Over the next week you will be able to see some of these fish displayed around the school.

Many thanks to the teachers who co-ordinated groups on the day – Susie Kitsoulis, Anmarie Kane, Alex Rokas, Anne Luttick, Liz Natoli, Vincent Doherty, Liam McCormack and our Art technician Julie D'Avoine.

Time

It's been a while since Year 5.3 were in the Newsletter. Here's a brief update on what we have been doing lately. In Numeracy, we have been creating projects on the topic of 'Time'. We have investigated different time zones around the world and how we can convert from twelve-hour to twenty-four hour time. Naomi Ordano represented the Year Fives at the Maths Talent Quest Presentation ceremony at Latrobe University where she was awarded a Distinction for her project on Guitars. In Reading and Writing, we have read some inspiring poetry and we are becoming poets ourselves by trying to write some poetry. Here are a few poems from us.

Hope you enjoy reading!

Typical Tuesday Morn by Isaac Krstina

It started on a typical Tuesday morn,
Little did they know later that they would mourn,
When the two planes hit the towers,
Glass, stone and brick showers,

Some of the people died on impact,
But some of the others soon realized they were trapped,
It was a hard decision no one person could call,
But some of them took hands and decided to fall,

But then the towers shook and they knew their time was
done,

2 Towers at the start and at the end there were none,
On that day it was not so fun,
No not that fun, that day in 2001.

The Light by Cassandra Sonza

Look there!

Where?

Just over there!

I don't see it.

Well just try.

A light???

Yes a light named Delight I mean

It's an angel.

Well just look and you will see.

It's my mother is it?
