## FAITH AND MISSION NEWS

### ***“Prepare Ye The Way of the Lord” (Isaiah 40:3)***

Last Sunday we celebrated the feast of Christ the King which brings to a close the period of Ordinary Time. The gospel reading is about the Son of Man coming in all his kingly glory on the day of the Last Judgement when people who have seen “Christ” in the downtrodden and have tended to their needs will be rewarded. On the other hand, those who rejected opportunities for outreach will themselves be rejected from the Kingdom of God. This feast day leads to the first Sunday in Advent when we prepare for the coming of our Saviour, Jesus Christ. The regal king and judge will soon come in our midst as a helpless and vulnerable baby, born just as one of us.

*The Annunciation, Cortona Altarpiece, 1433-34,  
by Fra Angelico, Museo Diocesano, Cortona,*

Mary waits from the moment she says “Yes” to God, indicating her willingness to be part of God’s plan for our salvation, born out of God’s deep and abiding love for all creation. Mary’s “yes” changes the course of history for humankind. Mary models for us the joy of anticipation of the hope of the fulfilment of God’s promise through the birth of Jesus Christ. She waits during her period of pregnancy, visiting her pregnant cousin Elizabeth. Both women are filled with joyful anticipation of the life growing inside their womb, each life growing towards God’s fulfilment of the promise of what John the Baptist and Jesus will bring to the society in which they are to be born.

***In the Way of Mary***, from this Sunday we begin the time of joyful waiting and preparation for the coming of our Saviour. His coming over two millennia ago is the history-changing event, bringing with it God’s message of love, peace and hope. Waiting patiently for God always includes joyful expectation. Without expectation our waiting can get bogged down in the

present and on preparing for the material side of Christmas. When we wait in expectation that His coming will change our life for the better, our whole being is open to be surprised by joy. During this time of waiting in hope, we help each other focus our hearts and minds on Jesus, and grow closer to Him during Advent and beyond.

All through the Gospels Jesus tells us to keep awake and stay alert. St Paul says, ***“Brothers and sisters ... the moment is here for you to stop sleeping and wake up, because by now our salvation is nearer than when we first began to believe. The night is nearly over, daylight is on the way; so let us throw off everything that belongs to the darkness and equip ourselves for the light”*** (Romans 13:11-12).

As we engage in our personal and communal preparation for Christmas, the late Henri Nouwen, renowned Catholic priest, mystic, philosopher and thinker invites us to consider the need for discipline, which he simply defines as “the effort to create some space in which God can act”.

***How specifically might we create some space for God to act this Advent?***

***A space where we can hear, feel and experience the Spirit of God, and respond?***

It is this joyful expectation of God’s coming that offers vitality to our lives. The expectation of the fulfilment of God’s promises to us is what allows us to pay full attention to the road on which we are walking.

During each of the Advent Liturgies for our VCE 2015 students over the past fortnight as they concluded their Orientation Programme, the reflective question posed was: “What are you doing this Christmas?” challenging them to look beyond themselves in the receiving of gifts and feasting on fine food and drink, to engage in a more authentic Christmas.

***“For God so loved the world, that He gave his only Son, so that everyone who believes in him may not perish but may have eternal life.”*** (John 3:16)

Maranatha, Come Lord Jesus.

### Mini-Vinnies at Marymede

What a fruitful year it's been with the launch of Mini-Vinnies and a successful Winter Warmers Appeal. The group had the opportunity to hand over the goods to the St Vincent de Paul Mini Vinnies representative Catherine Smith who was very grateful for their hard work. In our closing meeting the students received their badges for demonstrating their awareness of the needs of others and for reaching out to these needy people. The students made a pledge to continue their work as Mini-Vinnies.

In Term 4 as part of their preparation for Confirmation, the Mini-Vinnies helped raise awareness about the St Vincent de Paul Christmas Appeal and are taking on the call to think about someone less fortunate than themselves at Christmas.

#### The Marymede Fete – What a Success

The 2014 Marymede Catholic College Annual Fete was a huge success. The sun shone, the crowds gathered and the community of Marymede Catholic College celebrated with friends and families last Saturday November 22.

Our students are still talking about the 'awesome rides', the delicious variety of foods, the roaming magician, the fabulous prizes at the Spinning Wheel, and the spectacular array of market stalls and other activities to do and participate in.

This year we had a record number of Volunteers who assisted with the set-up on Friday November 21, and then on Fete Day. Many thanks to all who assisted in some way to make this year's fete such a success.

Thank you also to the wonderful staff at Marymede who supported the fete on Fete Day and in the many months leading up to November 22.

Special thanks and recognition must go to Nadia Crisp, President of the Parents and Friends, Carmela Grgas-Bego, Vice President, Tony Zaccari, Treasurer and Silvana Aliquo, Secretary. Additionally, the support of these people from our other Parents and Friends members is acknowledge too.

Our special thanks to our Major Sponsors – Fortunato Group and Coates Hire, who without their generosity, we would not have been able to put together an event of this magnitude.

On behalf of the Marymede Catholic College community, my sincere thanks once again for all of your support of this wonderful event.

### HEAD OF SECONDARY RELIGIOUS EDUCATION

In the last edition of the College Newsletter I presented a summary of some of the authentic approaches to curriculum and pedagogy that have evolved this year in the Year 7 & 8 Religious Education programs.

In this edition, it gives me great pleasure to present to you a summary of the same for our Year 9 & 10 students in their Religious Education studies and experiences.

#### Year 9 Religious Education 2014

This year the students in Year 9 have embarked on a true faith journey of discovery as they commenced the year learning about Literary Forms in the Bible. Students learned to appreciate the breadth and sacredness of the Bible uncovering a rich variety of literary styles. They explored Wisdom and Prophetic Literature as they analysed themes and messages contained within the Old Testaments. Students have engaged in some great discussion and exploration looking at Key Church Teachings. They have grown to appreciate even further the relevance of the Church's teaching for their lives today. A key area of inquiry has been the Catholic Church in Australia with a focus on investigating and researching the contributions that men and women have made to the Catholic Church in Australia.

Students have had an opportunity to reflect inward as they explored their understanding of Redemption and Hope in relation to their life experiences, both good and bad. In summarising their faith and learning journey this year, students explored the Sacraments of Hope and Healing with a particular focus on understanding the importance of the Sacraments of Penance and Anointing of the Sick in the Catholic tradition.

*Take a look at a few of the fantastic interviews that our Year 9 students created based on the lives of men and women who have made a significant contribution to the Catholic Church in Australia.*

*If your son/daughter is in Year 9 this year, be sure to take the time and have them present you theirs.*

## Year 10 Religious Education 2014

Our context for Year 10 students this year has been to challenge students to make sense and meaning of their everyday lives in the light of the teaching of Scripture from the Bible, the Catholic Church and the traditions of the Catholic community. Students began the year with a key study exploring and learning about the Synoptic Gospel of Mark. Students identified and studied the main elements of Mark's Gospel portrayal of Jesus. Essentially, students were challenged to apply Gospel themes to a variety of modern-day situations which impact on their lives. Students also reflected on the Eucharist analysing elements of the Eucharist and its place as the central focus of worship for Catholics.

Year 10 students explored their understanding of Personal Moral Responsibility. A creative framework of dialogue, understanding and action was constructed in order to lead students in a process of deep self-reflection, learning, evaluation and response. A unique response which challenges the value systems in contemporary society by working for Justice in Australia and beyond to create a just world.

The Year 10 students also developed a greater understanding of the Church's History as they studied key events and movements that have shaped the nature and mission of the Church today. The program was summarised with a look at Major Christian Denominations in our society today exploring similarities and differences when compared with Catholicism. Students conclude their studies this year with a greater appreciation for what Christians share in common.

Take a look at the great work of a group of Year 10 students who created, performed and recorded their version of the Passion of Jesus Christ as part of their studies of Mark's gospel earlier this year.

<http://vimeo.com/113052745>

I would like to sincerely thank Ms Kane and Ms McGill together with their respective teams, for providing our Year 9 and 10 students with such rich and rigorous learning opportunities in Religious Education this year.

God Bless,

## Changes to the Secondary Schools Tax File Number Program in 2015

The Australian Taxation Office has decided that the Secondary Schools Tax File Number (TFN) Program will not continue beyond December 31, 2014. This means that School TFN forms will no longer be processed beyond this date.

So how do students apply for a TFN from January 1 2015?

Students can now apply for a TFN online and have their identity verified through an interview at a participating Australia Post Office. Applying online is the fastest and most convenient way for students to get a TFN. More information on applying online can be found at [ato.gov.au](http://ato.gov.au) by searching for 'QC27248'. Students who are unable to visit a participating Australia Post Office will need to complete the application form Tax file number - application or enquiry for individuals form (NAT 1432). More information about lodging this form can be found at [ato.gov.au](http://ato.gov.au) by searching for 'QC22604'

## Carols by Candlelight

We are very much looking forward to celebrating 'Carols by Candlelight' at Marymede Catholic College on Thursday December 4 in the College's Fitness Centre.

'Carols by Candlelight' will bring students from Prep to 12 together to celebrate the Nativity through scripture, song and drama. There will also be lots of prizes and fun, including a VERY special guest... yes... our very own SANTA CLAUS will be making an appearance.

## Instrumental Music Lessons

Please note that the **closing date** for re-enrolments in the College's Instrumental Music Program for 2015 was Monday November 10. If you have missed this deadline then please contact [music@marymede.vic.edu.au](mailto:music@marymede.vic.edu.au) as a matter of urgency. We will shortly be arranging staffing for the enrolled students.

All students currently enrolled in the College's Instrumental Music Program must **RE-ENROL** for 2015.

All the relevant documentation and forms can be found on our College Website.

There are important changes being implemented next year:

- Students enrolled in the College's Instrumental Music Program will receive a MINIMUM of 15 lessons per semester

- Students enrolled in the College's Instrumental Music Program are committed to a FULL SEMESTER of lessons

The cost of Instrumental Music Lessons in 2015 (per semester / 15 lessons) is as follows:

- INDIVIDUAL / PRIVATE = \$525.00
- SHARED = \$337.50

Fees are invoiced by the College on a semester basis and will appear on your College Account Statement.

The College currently offers private instrumental music lessons for students wishing to learn: Voice, Piano, Keyboard, Flute, Clarinet, Saxophone, Trumpet, Trombone, Percussion / Drum Kit, Guitar and Bass Guitar.

## Piano or Keyboard

I have had a few enquiries regarding the difference between Piano and Keyboard. The following information can be used a general guide when deciding whether Piano or Keyboard lessons are appropriate for your son/daughter:

### Piano:

- Has an emphasis on recognised and established 'technique'
- Includes more of a classical repertoire
- Students are encouraged to prepare for nationally accredited AMEB examinations

### Keyboard:

- Generally chord-based tunes are learned
- Includes more of a contemporary repertoire
- AMEB examinations are possible, however there is more of an emphasis on 'playing for pleasure'

### Changes to the Education Maintenance Allowance from 2015

From January 1, 2015, the Government will provide extra financial support directly to Victoria's neediest schools instead of providing the Education Maintenance Allowance directly to parents.

Parents will not be able to apply for the Education Maintenance Allowance in 2015.

The money will be allocated to eligible schools through schools' core operational funding mechanism, with the neediest schools receiving the most funding. Not all schools will be receiving funding in 2015.

This change to how the money is distributed was required by the funding agreement with the Commonwealth government to make sure Victorian schools receive increased funding that will benefit all students and, in particular, those from schools with concentrated disadvantage.

The end of the EMA direct payments to parents will not affect any other payment you may be receiving such as the Schoolkids Bonus, which is provided directly to eligible parents to assist with education costs.

## Office Closed During Christmas Holidays

The College will be closed from 12 pm Friday December 19 and will reopen at 9am January 5 2015.
