

OUR CHILD PROTECTION AND SAFETY POLICY

Statement of Commitment to Child Safety

At Marymede Catholic College we hold the care, safety and wellbeing of children and young people as a central and fundamental responsibility of our school. Our commitment is drawn from and inherent in the teaching and mission of Jesus Christ, with love, justice and the sanctity of each human person at the heart of the gospel (CECV Commitment Statement to Child Safety).

The person of each individual human being, in his or her material and spiritual needs, is at the heart of Christ's teaching: that is why the promotion of the human person is the goal of the Catholic school (Congregation for Catholic Education 1997, n. 9).

Child abuse includes sexual offences, grooming, physical violence, serious emotional or psychological harm, serious neglect and a child's exposure to family violence. Marymede Catholic College is committed to the protection of all children from all forms of child abuse and demonstrates this commitment through the implementation of a comprehensive Child Protection Program designed to keep children safe.

At Marymede Catholic College we have a zero tolerance for child abuse and are committed to acting in children's best interests and keeping them safe from harm. The College regards its child protection responsibilities with the utmost importance and as such, is committed to providing the necessary resources to ensure compliance with all relevant child protection laws and regulations and maintain a child safe culture.

This policy takes into account relevant legislative requirements within the state of Victoria, including the specific requirements of the Victorian Child Safe Standards as set out in Ministerial Order No. 870.

This policy applies to school staff, including school employees, volunteers, contractors and clergy.

Child Safe Principles

The College's commitment to child safety is based on the following overarching principles that guide the development and regular review of our work systems, practices, policies and procedures to protect children from abuse.

1. All children have the right to be safe.
2. The welfare and best interests of the child are paramount.
3. The views of the child and a child's privacy must be respected.
4. Clear expectations for appropriate behaviour with children are established in our Child Safety Code of Conduct and Staff and Student Professional Boundaries Policy.
5. The safety of children is dependent upon the existence of a child safe culture.
6. Child safety awareness is promoted and openly discussed within our College community.
7. Procedures are in place to screen all staff, Direct Contact Volunteers** third party contractors and external education providers who have direct contact with children.

8. Child safety and protection is everyone's responsibility.
9. Child protection training is mandatory for all College Board members, staff and Direct Contact Volunteers.
10. Procedures for responding to alleged or suspected incidents of child abuse are simple and accessible for all members of the College community.
11. Children from culturally or linguistically diverse backgrounds have the right to special care and support including those who identify as Aboriginal or Torres Strait Islander.
12. Children who have any kind of disability have the right to special care and support.

**Direct Contact Volunteers are those volunteers that are involved in providing support, guidance and supervision directly to students and could potentially have direct unsupervised contact with students during the normal course of providing the volunteer service.

Examples of Direct Contact Volunteer activities may include volunteers involved in College camps and excursions, coaching sporting teams or assisting in learning activities.

Child Protection Program

Marymede Catholic College is committed to the effective implementation of our Child Protection Program and ensuring that it is appropriately reviewed and updated. - pastoral care strategies designed to empower students and keep them safe;

- policies with respect to cultural diversity and students with disabilities;
- a child protection training program;
- information regarding the steps to take after a disclosure of abuse to protect, support and assist children;
- guidelines with respect to record keeping and confidentiality;
