

Dear Students and Families,

Thank you to all students who participated in the CC@Home program during term 3, the response has been wonderful and it has been so exciting to see your creations and submissions every week.

We hope that you enjoy the selection of activities over the coming weeks as we slowly return to school.

Congratulations to Romero (Primary) and Chanel (Secondary) who are currently leading the House Shield competitions. There is still plenty of time to get involved in term 4, so we hope to see plenty of participation and house spirit as school returns!

THE CREATIVE COLLECTIVE - YOUTH ART COMPETITION

Nillumbik Youth is excited to once again host The Creative Collective annual youth art competition.

The Creative Collective invites young people to demonstrate their unique points of view through creative expression.

The theme for 2021 is 'Perspectives' - encouraging young people to share what they are passionate about through mediums such as painting, photography, sculpture, literature, and more.

Through this variety of art forms, Council and community gain an opportunity to see things from the point of view of our young people, and a level of understanding between generations.

The competition is open to anyone aged 12–18 who lives, works, studies, volunteers or plays in Nillumbik Shire.

Entries close on Sunday 17 October 2021. [CLICK HERE for more information](#)
