

14 August 2015

## FROM THE PRINCIPAL

Dear Parents, Staff, Students and Friends of our Marymede Community,

Today we celebrated the feast day of Marymede Catholic College, in this our tenth year. This is a significant day for our College Community as we celebrated Mary's love and commitment to doing God's will. Mary, the Mother of God, is a role model showing us the way to Jesus and how to act towards others.

Our celebration today began with a Whole School Mass in the Fitness Centre. A big thank you to our celebrant Fr. Martin Ashe and Ms Judeline Wadhvani and Mrs Melinda Muir for their organisation of this most significant celebration.

After recess, the students were involved in a range of activities to raise funds for the St. Vincent de Paul Winter Appeal. After lunch a number of our talented students performed in the concert which also featured a staff act. Special thanks to all staff and students for their support of the day. I enjoyed my first Marymede Feast day and loved the way we came together as a school community to celebrate what we are truly about.

### International Principal's Conference

I have returned this week from the International Principal's Conference in Helsinki. The theme of the conference was 'Leading Educational Change'. I very much enjoyed listening to the international key-note speakers talk about the changes required in education to meet our rapidly changing world. I also loved the opportunity to interact in the workshops with fellow Principals from all over the world.

I would like to thank Mrs Robyn Roberts for taking on the Acting Principal role during my leave.

### Planning for 2016

Planning is underway for next year. I draw this to your attention as you might not be aware that planning is done months ahead. I am interviewing staff about their plans for next year and by the end of this term I hope to have a clearer picture of staff availability. We also use this time to project our budget for the following year which is critical to the organisation of the College.

### Enrolments for 2016

We have a limited number of vacancies in some year levels for 2016. If you know of families considering Marymede Catholic College for their children, please encourage them to submit an enrolment application as soon as possible to avoid disappointment.

### Year 12s

There is no avoiding the fact that for our Year 12 students the joy and tears of finishing are fast approaching. As the tension and pressure build, I encourage them to keep supporting each other and continue to give of their best. We particularly wish them well for the coming three months.

### Parent/Teacher/Student Interviews

Please note that the next Parent/Teacher/Student Interviews will take place for Years P-10 students on Thursday September 3 from 10.00am to 8.00pm. There will be no scheduled classes for all students on this day. Communication will be emailed to parents regarding the booking process on Thursday August 27.

### Community Mass

Our last Community Mass was very well attended by the Marymede Community of students, parents and staff. I am encouraged to hear the numbers are growing so please mark in your diaries that the next Community Mass will take place on Friday August 28 at 8.00am in the Chapel of the Annunciation. All members of our community are most welcome to attend.

Kind Regards,

**Mr. Michael Kenny**  
**Principal**

## FAITH AND MISSION NEWS

### From Mary, Mother of God to Mary, St. Mary of the Cross (MacKillop)

Source: Google Images

The week just gone by has seen the Church celebrate the feast of St Mary of the Cross MacKillop, Australia's first saint on Saturday 8 August and feast of the Assumption of Mary, mother of God and Blessed Mother to all, on Saturday 15 August.

We as a community of faith celebrate the feast of the Assumption on our College Feast Day, Marymede Day.

Although they lived in situations that were poles apart and faced with experiences that were widely different, both women named Mary share much in common. The young Jewish girl Mary said the very important “Yes” in answer to God’s invitation to be the mother of God’s Son. The young Australian girl Mary MacKillop did the same, nearly nineteen centuries later. Both women are contemporary role-models of discipleship demonstrating prayerful trust in what God was calling them to be and a strong sense of service in what God was entrusting to them: Mother of God for Mary the young Jewish girl and inclusive face of Christ to all for the young Australian girl. Both women bore immense suffering in their time, yet continued to focus their glance on Christ as they continued with the daily task of nurture in building the Kingdom of God.

## The Feast of the Assumption of Mary and her coronation as Queen of Heaven

Mary shared completely in the work of Jesus Christ, the Son of God. She alone shared and in a complete way the wonder of the Incarnation (God becoming flesh) and the Birth of Jesus. She was the only one who was with Jesus from his birth, through his growing years at Nazareth. She was there at the foot of the Cross witnessing his death. She was there at Jesus’ Ascension and with the apostles in the Upper Room at Pentecost. Tradition tells us that Mary lived to a good age and when she had done everything that God had asked of her during her life, she was taken up (assumed therefore the word Assumption) to heaven, body and soul.

We do not know if Mary died and then went to heaven or if she was taken up to heaven before she died. The Eastern Church believes that Mary fell asleep and her body was taken up to heaven as she slept so they do not speak of her death but of her “dormition” or “falling asleep”. Others believe that she died and was then taken up to heaven. What we do know for certain is that she went to heaven and was crowned by Jesus as Queen of Heaven and she sits with him listening to our prayers and interceding for us with God and her son Jesus.

Our College Feast Day, Marymede Day is a celebration of the Feast of the Assumption of Mary Queen of Heaven.

“Let it be done, according to your word” (Mary, mother of God)

“Never see a need without doing something about it” (St Mary of the Cross Mackillop)

**Ms Judeline Wadhvani**  
**Head of Faith & Mission (P-12)**

## HEAD OF SECONDARY RELIGIOUS EDUCATION

### Sam Bramham -OAM – Paralympic Swimmer

On Thursday August 6, Marymede Catholic College was very fortunate to have Sam Bramham OAM, gold medal winning Paralympic swimmer, visit the year 12 cohort and year 11 VCAL students to discuss the myriad of prejudices and positives he has encountered, living with a disability. He credits his enormous success to the unwavering support he received from

his parents and the community that gave him the drive to compete at an elite level. His message was one of hope, determination and service to others; factors that resonated with the students as they embark on their last weeks here at the College. Sam competed on the world’s stage as a swimmer but the students remember him best, from the media attention he received as a contestant on Big Brother. One of the Year 12’s commented to me after the presentation that he felt inspired and motivated by Sam to make the best of his time left at school and to “soak up the atmosphere”- Kathy Freeman

1 Corinthians 9:26-27

So I do not run aimlessly, nor do I box as though beating the air; but I punish my body and enslave it, so that after proclaiming to others I myself should not be disqualified.

### Year 5 & 10 Aboriginal Linkage Project –

On July 16 all Year 5 and 10 students united to listen to our guest speaker, Sherry Balcombe from the Aboriginal Catholic Ministry. Sherry spoke to students about her work with the ACM and the Opening the Doors Foundation which the ACM supports through its Fire Carrier program. Sherry also spoke about some of the key symbols of great significance which are central to Aboriginal culture such as that of Fire which provides nourishment and is life giving. Sherry shared some very wise words with our students in raising their awareness about what the media portrays in relation to our indigenous brothers and sisters.

Sherry also shared the following quote with our students:

“And the Church herself in Australia will not be fully the Church that Jesus wants her to be until you have made your contribution to her life and until that contribution has been joyfully received by others.”

Saint Pope John Paul II, 1986, Australia.

Over the coming week’s students in year 5 & 10 will continue to work together as they enquire about Aboriginal History, Art, Spirituality and the Dreaming. Be sure to speak to your son/ daughter if they are in Year 5 or 10 to ask them about their experiences working together.

God is glorified

**Riccardo Iuele**  
**Head of Religious Education Secondary**

## SECONDARY LEARNING AND TEACHING NEWS

### 2016 Subject Selection

All students in Years 8-11 should have made their 2016 subject selections by now. Our timetable will be constructed based on these selections and we try very hard to accommodate all combinations. In a large school this proves very difficult and therefore all students have selected reserves which will be used if any subject clashes occur. It will be mid Term 4 before we are able to confirm subject selections and some students' selections will also be dependent on their Semester 2 achievements and examination results.

### Acceleration

Students currently in Year 9 are invited to apply to accelerate in **one** Unit 1 and 2 subject in 2016 when they are in Year 10. Application forms are available from the Secondary Office and all students were emailed this form during the week. Students will need to meet strict criteria and provide examination results that confirm they have the ability, work ethic and aptitude to succeed at this level. We will not be able to confirm positions until late in Term 4 when the timetable has been completed and we can see which subjects will be accessible on your child's timetable. In addition, class results and possibly Semester 2 examination result will contribute to this decision. Applications are due in to Mrs Agnew by Friday 21 August, 2015.

### Skills 21 in 2016

In 2016 the Year 7 and 8 Skills programme will run as it has done in 2015. However, as LOTE is no longer compulsory in Year 9, there will be no Skills programme running in Year 9 as this was when classes were scheduled. Instead, these students will be supported by the Learning Enhancement Centre staff. Please contact Mrs Robyn Thomson for any further information.

### Parent Student Teacher Interviews (Years 7 – 10)

Our next Parent/Student Teacher interviews will take place on Thursday September 3, 2015 from 10 - 8pm. Shortly, you will receive information about making appointments via PAM to see your child's teachers to discuss their progress in class. If you need assistance with your login or password please contact the IT Helpdesk as soon as possible as bookings do fill up fast once the portal opens. All interviews will be for 10 minutes and again, these will be held in the Fitness centre.

**Ms Andrea Agnew**  
**Head of Learning and Teaching**

### 12 Drama Solo Performance Workshop

On Friday August 1, the 12 Drama class participated in a workshop at the Malthouse Theatre, Southbank. Students worked on key skills such as transformation of prop and montage in preparation for their upcoming solo performance examination. Professional actress Diana Perini presented her take on 'The Socialite', one of the 2014 solo structures. The students met with Diana after her performance to hear more about what it takes to create an A+ performance.

The Inaugural Marymede Catholic College Performing Arts Week

This September 14-18 marks the inaugural Marymede Catholic College Performing Arts Week, a time to celebrate all things Drama, Dance and Theatre.

Key performances during this week include the 12 Drama Solo Performance Evening and, for the first time, a Marymede Top Acts Performance evening, celebrating success in Years 7-12 Performing Arts.

Stay tuned for a full program in the coming weeks.

### Drama Captains

An initiative of the Performing Arts department is to acknowledge leaders within our classes at Years 7-9. Appointed students to take on additional responsibilities, such as running warm-ups activities, operating technology and assisting other students with their performance work.

**Congratulations to the following students who have been appointed as Drama Captains for Term 3:**

7.1	Daniel Sabatino	Stephanie Ceola
7.2	Olivia Nyman	Jesse Radovic
7.3	Chelsea Burns	Jack Bowlen
7.4	Cassandra Panozzo	Daniel Foschi
7.5	Stephanie Sallas	Daniel Tsafkas
7.6	Alex Verri	Lauren Chan
901	Morgan Brand	Matthew Krstina
902	Alexandra Verdi	Matthew Cooper

## Performing Arts dates for your diary

Sunday 30 August	College Open Day Performances
Tuesday 1 September 6pm-9.30pm	11 Drama Excursion: 'Antigone' at Malthouse Theatre
Saturday 12 September 10am-1pm	12 Drama Written Examination Morning at Drama Victoria, Abbotsford
14th – 18 September	Performing Arts Week
Monday 14 September 6pm	12 Drama Solo Performance Evening, Marymede Catholic College Theatre
Thursday 17 September 7pm	Marymede Top Acts Performance Evening, Marymede Catholic College Theatre

**Ms Angie Bedford**  
**Head of Performing Arts**

### Alpine Environment's Snow Program

Students studying Unit 2 Outdoor and Environmental Studies are still buzzing after spending three days exploring Victoria's alpine environment. Departing the college on Sunday August 2, the group arrived into Bright, where we settled into our Chalet and eagerly awaiting our day on the snow. The program involved one day cross country at Dinner Plain and two days downhill skiing/snowboarding at Mt Hotham.

This unique program allowed students to gather first-hand experience of an alpine environment and gather data using GoPros, which will be used as the basis for their assessment task for this unit. Through immersion in this environment, students were able to see how geological characteristics, climate, seasonal change and bushfires effect the intrinsic value of this environment as well as how land management issues may threaten this outdoor environment in the future. I would like to thank Mr James Toohey for his assistance on this program and providing students with opportunity to be in the great outdoors.

**Ms Andrea Zappulla**  
**Head of Chanel**

### Writers' Festival, 2015

This year's Writers' Festival focused on Sports and Journalism and included the usual lunchtime programme. Our guest speakers included Jake Niall, 'The Age' Senior Sports Writer, Tony Nicholls, Media Consultant from Good Talent Media, Paul Licuria, former AFL Collingwood player, Cheryl Critchley, former 'Herald Sun' journalist, freelance journalist and author and Katrina Hinschen, journalist at 'The Whittlesea Leader'. All speakers were excellent with the students engaging with the speakers on one of their favourite topics –football.

Thanks to all the speakers who generously gave their time and expertise to make the 2015 Writers' Festival a success.

Lunchtime activities included:

Junior and Senior Spelling Bee

Winners: Ajay Jay, Year 9 (Junior) and Evelin Thomas, Year 11 (Senior)

Junior and Senior 'On the Box'

Winners: Noel Augustine, Year 8 (Junior) and Caitlin Rohr, Year 11 (Senior)

Book-hurling

Winners: Tye Jackson (Year 9), Damien Petrucci (Year 10), Nakita Costanzo (Year 12), Cody Jackson (Year 11)

Teacher vs Student Debate on the topic that teachers should be replaced by robots

Student Team: Nakita Costanzo, Cindy Do and Josh Newton

Staff Team: Allison Lemar, Jeremy Guzman, Simone McGill

Winners: Students

The 2015 Writers' festival was enjoyed by many and there is still time to submit entries for the Marymede Writing Prize with entries closing this Friday at midnight. Please email Mrs Laura Wilcox with any late entries.

**Ms Ashleigh Klar, Ms Elise Piovesan, Mrs Sharon Bluett, Mrs Laura Wilcox and Mrs Moira Christie**  
**Secondary Teachers**

### National Youth Science Forum 2016

Marymede Catholic College is delighted to announce that Sheldon Chetty and Adrian Pieri, Year 11 have both been selected to attend the National Youth Science Forum (NYSF)

in Canberra in January 2016. They are being sponsored by Diamond Creek Rotary and Whittlesea Rotary Clubs. During their two week experience selected Year 11 Science students will be offered the opportunity to spend two weeks in Canberra staying on campus at the Australian National University, visiting scientific institutions, participating in public forums, meeting Nobel Prize winning scientists, enjoying campus life and many outings. The NYSF program consists of a mix of scientific, formal, personal development and social activities. These range from laboratory visits to sports evenings to group dynamics. Not surprisingly, selection for the NYSF is very competitive. In any one year as many as 2,000 students may compete for 376 places. Students write an application outlining their scientific background and areas of interest. They then undergo two levels of intensive interview and selection days conducted by Rotary.

Sheldon and Adrian received valuable advice and support from the 2015 NYSF successful Marymede Catholic College candidate Michael Manoussakis. Congratulations to Sheldon and Adrian for accepting the challenge and presenting themselves appropriately for this national prize.

**Mrs Moira Christie and Mrs Laura Wilcox  
Enrichment Team**

### Junior Girls SACCSS Hockey

On Wednesday August 5, 18 Year 7-10 girls travelled to the state hockey and netball centre to compete in SACCSS Hockey competition against Penola, CRC North Keilor and St. Monica's. In the first match of the day Marymede played Penola where the score stood at 0-0 at half time. However after the break the girls went out with a fighting spirit and within minutes Alannah Verna had scored to put Marymede 1-0 up. Shortly after, the girls kept up a strong attack and goals from Monique Stojanovski and Caitlin Daly secured a 3-0 victory. In our second game against CRC North Keilor, a very close game was contested. Marymede's Sidney Armstrong was denied a goal due to a technical fault resulting in a 0-0 tie. However, going into the final match against St. Monica's, Marymede needed a win to make the grand final. During the first half Sidney Armstrong managed to score a goal and after the break she put away a second to secure the win. Minutes after winning their final match the girls were told of how the grand final would be Marymede Vs St. Monica's. Determined to win the girls had a quick rest before taking to the field. Early in the first half Year 7 student Indiana Bodley found herself running up the pitch with the ball. She took on two defenders and managed to hit the back board giving Marymede an early goal. After the break Marymede's defence was penetrated and the girls found themselves defending a penalty corner. However team captain Sidney set up the girls in defence and under Sidney's instruction they were able to clear the ball. In a closely contested match Marymede managed to hold on to the lead winning the Junior Girls SACCSS Hockey for the second year in a row.

### Hockey Senior SACCSS Hockey 2015

Monday August 10, saw the senior Girls hockey team from Marymede travel to the State Netball and Hockey centre for the SACCSS competition. A late change to the fixture saw Marymede playing first against CRC Sydenham. In the first half,

Sidney Armstrong found the backboard giving Marymede the lead and the young side a confidence boost. In what was a closely contested game Marymede remained in control and although the defence were made to work hard Marymede managed to hang on to their lead finishing match winners. In the second match of the day, Marymede played an experienced MacKillop team. Although the girls played hard they didn't manage a score and ended up defeated. While the girls were disheartened by the loss they learnt a lot from the game and were determined to make changes and improve their game for the semi-final. Another tough match was fought in the semi-final against Emmanuel. While the Emmanuel girls were a lot older than the Marymede team (made primarily of Year 9 and 10 students) Marymede fought hard and gave Emmanuel a tough match. They played a solid defensive game and kept within 3 goals. The girls played very hard and showed great spirit and determination. We are already looking forward to next year's competition.

**Miss Annemarie Kane  
Secondary Teacher**

### SACCSS Senior Football

On Thursday August 30, our Marymede futsal team participated in the SACCSS Senior Fustal Competition at Albert Park Sports and Aquatic Centre.

The day started off as usual with the rules and regulations explained to the participating schools. Our first game was against Antonine College, with Marymede winning 6-2. After this win the determination and the enthusiasm was through the roof, even though the next game against Kolbe was a loss, that didn't put us off trying for another victory. Overall, we all enjoyed the experience of day and we would like to thank Mr Paraskeva for coaching and training the squad for this tournament.

**Mr Krishal Deo  
Secondary Student**

### Senior Girls Futsal

On July 30, a group of Year 10's, 11's and 12's were involved in an Inter-School Futsal competition, which was held at Albert Park Indoor Sports Centre. The senior girls team comprised of Scarlet Aylward, Isabella Ivanovski, Ashleigh Walters, Patience Kihara, Pavneet Sandhu, Sabrina Zannino, Brianna Spaseski, Mary- Grace Nicolazzo and Georgia Peel, who were coached by Miss Barton.

There were two pools for the girls, there was Pool A and Pool B. We got put in Pool A with, St Monica's, Salesian, Penola and Antonine. Our first game was pretty easy being undefeatable against Salesian with the score of 5-0. Our second game

against Antonine was a shame, losing 2-4. However, we then came out determined for the third game and fought hard until the end with just a one goal difference win against Penola, the score being 3-2. The last game was pretty tough as St Monica's are our biggest rival when it comes to sport. We played our best and played well, with our heads held up high, but unfortunately lost 5-0. The goal scorers of the day were, Georgia, Mary-grace, Brianna and myself (Ashleigh).

The day ran well and everyone went out and did their best. With two wins and two losses we narrowly missed finals by coming third in our pool, but the outcome of our performance and our attendance was great and couldn't have been any better. Better luck next time girls.

**Miss Ashleigh Walters**  
**Secondary Student**

### Senior Girls Soccer

Towards the end of Term 2 and over the past few weeks, girls selected from Year 10, 11 and 12 represented the College in the senior girls soccer SACCSS competition. This season saw some very close matches and score lines. The girl's effort and determination throughout the season demonstrated the true Marymede spirit. We were unlucky with a few injuries towards the end of season however this allowed for a number of younger girls to step up. We never gave up, no matter the score and always walked off with a smile. All the girls would like to thank Miss Barton and Doc for coaching and managing the team. Good luck next year team.

**Miss Scarlet Aylward**  
**Secondary Student**

### Senior Boys SACCSS Soccer

In the first week of June, senior boys set out to leave our mark on the SACCSS Senior Soccer Competition. Our first game was against a home match CRC Melton with our full squad excited and ready to play. It was a close match but with the ball bouncing in our favour it was team captain Shane Singh who sank the winning goal to take the match 1-0. With the first win in the back of our minds we ventured off to face Penola for round two. High hopes got us an early lead to begin the game with a third minute goal, but this was short lived by ending the game 7 - 2. Our next match against Emmanuel will be the deciding game for us to make the final. There is a lot of hype going around for this game, because this is the first year that a Marymede Catholic College senior boys' soccer team has the chance to make the grand final. Good luck for next match boys.

**Mr Josh Sakoulevas**  
**Secondary Student**

## PRIMARY LEARNING AND TEACHING NEWS

### Sports News

Aus kick is well underway at Marymede and it's great to see so many prep, Year one and Year two students in attendance. We will continue to use the soccer pitch when the weather is fine. Thanks to all the parents who are assisting with the sessions

On Friday August 7, the Year 5 and 6 football team participated in the Northern Metro Regional football competition. They played two games and progressed to the semi-final though unfortunately they were beaten by a better team on the day

On Friday August 7 Marymede held the Bridge Inn Volleyball competition. Marymede entered 5 teams and they played an A and B grade round robin against six other schools. It was great to see so many students participate at an interschool level and we ended the day with some great results.

Girls A White Team – Premiers  
 Girls A Green Team – 3rd Place  
 Girls B Team – runners up  
 Boys A Team – runners up  
 Boys B Team – 4th place

Thanks to Ms Lappin for coaching the students and we wish the Girls A team well as they progress through to the next round.

*Girls A grade Team Premiers*

**Mr Gerard Large**  
**Guild Coordinator**

## BUSINESS OFFICE

### Arilla Village Building Works

Please be advised that Arilla Village is undergoing building works and residents will need to exit the Village via Vincent Drive over the next six months. Speed limits along this section of road have been reduced and will need to be respected.

### Finance Committee

The College Finance Committee have been meeting regularly since the beginning of this year to discuss the finances of the college to ensure growth of the college continues both physically and educational to benefit our students in future years. As the college continues to expand and provide new educational initiatives and pathways for students, several important questions have been identified as key items to be addressed in our financial plan of the College from 2016, they are:

- The challenges of providing cutting edge technology to all students, after the withdrawal of the Digital Education Revolution funding for student computers from 2014.
- Teacher salaries continue to increase above actual school fee increases; 2016 - 9%, 2015 - 12%, 2013 - 10%, 2012 - 16%

- Master planning for the future years is increasingly difficult without adequate cash reserves
- Maintaining specialised subject teachers in both the Primary and Secondary areas
- Trying to create innovative pathways for students in later years

Some of the above items will pressure the College increasing schools fees, but the College Finance Committee is endeavouring to keep these to a minimum without sacrificing quality education for Marymede students, which Parents have enjoyed with relative small increases in fees in the past.

Therefore as the College Finance committee continues working hard on formulating a anticipated financial target for 2016 to 2019 and meeting these challenges.

**Mr Paul Romanin**  
**Business Manager**

## REGISTRAR NEWS

### New Students

Marymede Catholic College welcomes the following new students who commenced this past week and their families to the College:

Kyrellos Rizkalla – Year 9

### Prep 2016 T-Shirts

Families can now collect their free Prep 2016 T-Shirt from the Main Office. These t-shirts have been very popular with our new Prep cohort and are available for any child entering Prep at Marymede Catholic College next year.

### School Bus Service

Semester 2 Bus Passes have now been handed out to all students. It is an expectation that students using the bus service present their bus pass to the teacher on yard duty every morning and every afternoon. Students who do not have a valid paid in full or casual bus pass will not be permitted to travel on the bus under any circumstances.

### Open Day

There are now only two more weeks to go until Open Day. We strongly encourage all current families to attend this exciting event taking place on Sunday August 30, between 11.00am – 2.00pm. Open Day is a great opportunity to immerse yourself within the Marymede Community. There will be plenty of activities for children to take part in on the day, along with a free sausage sizzle lunch in Wurun Common. For more information please visit

<http://www.marymede.vic.edu.au/openday2015>

**Mr Matthew Luczek**  
**Registrar**

## CANTEEN NEWS

Just a reminder that lunch orders are placed online via Flexischools. Cut off for lunch orders is 9pm the night before. If your child is sick, and you have ordered a lunch order, the order can be cancelled provided you notify the canteen the day they are away. Please note that if a chocolate item is ordered with hot food, there is a possibility that the chocolates will melt slightly. Please keep this in mind for any future chocolate orders.

We would like to take this opportunity to thank our small number of volunteers that assist us in the Canteen on a daily basis. We would like to thank Mitra Caputo and Mercedes Batres Bresolin, who have joined our team of volunteers. We are thankful for all the time and effort provided by all our helpers.

The Canteen is always looking for new volunteers. A few hours of your time would help us greatly. It does not necessarily have to be a full day. Your child will be entitled to a free lunch order the day you are rostered on.

***Ms Kate Quinn & Mrs Connie Ibrahim***  
***Canteen Managers***

## UNIFORM SHOP

### Uniform Shop Trading Hours Term 3

Mondays 8am to 12pm  
Tuesdays 12pm to 5pm  
Thursdays 12pm to 5pm

#### **Next Saturday Trade:**

Saturday 5th September  
9.30am to 12.30pm
