6 March 2015

FROM THE PRINCIPAL

Dear Parents, Students, Staff and Friends of Marymede Catholic College,

In the week beginning Sunday March 15, all Catholic schools in Victoria will be celebrating Catholic Education Week. The theme of the week will be "Seek God with all your heart".

Our Secondary Head of Religious Education, Mr. Riccardo luele, and Head of Faith and Mission (P-6), Mrs Alison Besselaar, Head of Primary and a group of our students will take part in the celebration held in the city on St. Patrick's Day, which will include Mass at St. Patrick's Cathedral. We at Marymede Catholic College take seriously our primary purpose of nurturing our students' faith. Christian teachings are central to our work and the challenge for us is to continually ensure that they are included in all we do.

Year 12 Retreat

I attended the Year 12 Retreat last week and was very impressed with the way our students embraced this time away together. The opportunity to escape the rush and urgency of every day experience does not come often enough, yet the need to give time to our inner selves and nurture our spiritual dimension is important. I hope the memories of these days will prove valuable to our Year 12s as they face the rigours of the remaining months.

Primary Parent Information Evening – Tuesday March 3

Thank you to the large number of parents who attended the Primary Information Evening. Your presence at these nights gives the College a clear message that you want to be in a partnership with your child's teachers. I trust you found the presentation informative.

Year 7 Parent Information / Guild Family Evening – Tuesday March 10

Next Tuesday March 10, the College will be holding an Information/Guild Family Evening for our Year 7 parents in the Fitness Centre. Parents will have the opportunity to meet with their child's Head of Guild to ask any questions about the upcoming camps. I look forward to chatting with parents on the night.

SAC Season

Our senior students who are studying VCE subjects have commenced their School Assessed Coursework (SACs) which, in Unit 3/4, form part of their final study scores. I encourage parents to talk with their sons or daughters about how they are managing their first SACs. Rather than leaving them to cope on their own, encourage and support them. The Year 12 journey should be travelled together for the whole year, rather than the last months.

Year 7, 2016 Enrolment Interviews – Wednesday March 4

Last Wednesday afternoon, a core of experienced staff members interviewed families applying for a Year 7 place in 2016. We were most impressed with the quality of the applicants. I am pleased to report that Marymede will again be running six classes at Year 7 next year. First round offers will be posted home in the last week of April.

Kind Regards,

Mr. Michael Kenny
Principal

FAITH AND MISSION NEWS

"Come back to me with all your heart" Joel 2:12

Every year we try to answer the age old question: What should I do for Lent? Well, who better to select for a Lenten spiritual director than our Pope Francis?

Pope Francis' top tips for Lent:

- **Do something that hurts**
"Lent is a fitting time for self-denial; we would do well to ask ourselves what we can give up in order to help and enrich others by our own poverty... **I distrust a charity that costs nothing and does not hurt.**"
- **Help the Poor - Don't remain indifferent**
"In the poor and outcast we see Christ's face; by loving and helping the poor, we love and serve Christ. Our efforts are also directed to ending violations of human dignity, discrimination and abuse in the world, for these are so often the cause of destitution. When power, luxury and money become idols, they take priority over the need for a fair distribution of wealth. **Our consciences thus need to be converted to justice, equality, simplicity and sharing.**"

- **Pray: Make our hearts like yours**

“During this Lent, brothers and sisters, let us all ask the Lord: *‘Fac cor nostrum secundum cor tuum’*:

Make our hearts like yours. In this way we will receive a heart which is firm and merciful, attentive and generous. In the face of so many wounds that hurt us and could harden our hearts, we are called to dive into the sea of prayer, which is the sea of God’s boundless love, to taste his tenderness.”

Ms Judeline Wadhvani

Head of Faith & Mission (P-12)

DEPUTY PRINCIPAL SECONDARY

Parental Engagement

At Marymede, we are serious about enhancing the academic attainment and wellbeing of all our students. Current research supports the philosophy recognising that students learn more and succeed at higher levels when home, school and community work together and play collaborative, complementary and supportive roles to support learning and development (for example, Epstein and Sheldon 2006).

Parental engagement is a highly significant leverage point for enhancing the academic attainment and wellbeing of children and young people. Ongoing conversations between parents and teachers about both their critical roles in learning secure a student’s academic attainment. Research suggests that dialogue between parents and school is needed to keep parents informed about curricula, courses, school rules and assessments which, in turn, enables parents and teachers to work together to support the child in his/her education (Cher and Bowen 2006). This dialogue can lead to conversations about optimal home learning environments, in turn benefitting a child’s academic pursuits.

Marymede Catholic College offers multiple forums inviting parental engagement. I urge parents to see the value in engaging in the following:

- Subject Selection Information sessions
- Curriculum Information sessions
- Parent/Teacher/Student Interviews
- Utilising specialist staff in the areas of Careers, VCAL, VCE
- Utilising the Student Welfare and Wellbeing Counsellors and College Psychologist, available to assist at home and school
- Communicating with staff through phone calls, emails, one-to-one meetings and academic monitoring of students’ progress

To gain the greatest value from meeting with a staff member, calling ahead to make an appointment is essential. This enables the staff member to prepare and collaborate with you effectively.

One important area for parental engagement is the awareness of homework, its association with high academic attainment, and the need to have supportive monitoring while your son/daughter develops a focused study regime and pattern. If your

child attends class unprepared, he/she is unquestionably falling behind. Therefore, conversations about homework and study should centre on total preparation for any subject’s next class, consolidating the content and skills taught, re-reading and reviewing notes. Such conversations invalidate the catchcry: ‘I have no homework tonight’. Students in Years 7-8 should be studying and completing homework tasks for 1-1 ½ hours every night; Years 9-10 need to spend 1 ½ -2 hours every night; Years 11-12 need 2-3 hours. A balanced homework and study regime also requires weekend work in order for students to complement and extend the knowledge and skills taught at school.

Parent engagement at Marymede also underpins success through our co-curricular programs such as our Sporting, Music and Performing Arts events. The success and the excellent results our students experience are due largely to the commitment demonstrated by students, teachers and parents working cooperatively.

I encourage parents to continue your investment and engagement into your son’s/daughter’s education alongside school staff to facilitate a supportive learning environment in both the home and the school.

Parents & Friends Committee

The Marymede Catholic College Parents and Friends Committee have once again started the year by supporting events like our Prep Parents Morning Tea.

Our meetings are held monthly on a Wednesday evening at 7:00pm at the College and we warmly welcome new members to support and contribute to the wonderful work that this Committee does at Marymede.

If you would like to attend, please contact the College and we will be pleased to pass your details onto Nadia Crisp, President of the P&F Committee.

The P&F hold valuable fundraising events throughout the year, providing funds for equipment and resources used by all students. We have a number of exciting events planned for 2015 and we look forward to all our families participating in the social events and our fundraising efforts.

Mrs. Robyn Roberts

Deputy Principal Secondary

HEAD OF SECONDARY

Year 10 Update

Year 10s have been representing Marymede well in the interschool Premier League Competition on Thursday afternoons. When they have a bye week, Mr Adamson, Head of Careers, will be addressing them on Pathways and upcoming Work Experience. It is important that Year 10s are encouraged to source and apply for work experience they are interested in.

Year 9 Update

The upcoming Challenge Camp promises to provide outstanding experiences to our students. Attending a camp away from home provides essential opportunities for young people to continue cultivating skills of confidence, resilience and independence. One of the supports we have implemented is

giving all students an opportunity to nominate by email two people they want in their activity group of whom we will endeavour to place at least one.

The Parent information evening is scheduled for **Monday March 23**, and your child will benefit when at least one parent/guardian attends this essential meeting.

General reminders:

Our students collected six wheelie bins of rubbish during 'Clean-up Australia Schools Day' on Friday February 27. Most rubbish was associated with food so please encourage students to bring **package-free** lunches to reduce our litter footprint on our environment.

Congratulations to all the Year 12s for the manner in which they engaged in their **Retreat**, it was a very special experience.

Ms. Julia Wake.
Head of Secondary

HEAD OF SECONDARY RELIGIOUS EDUCATION

Year 11 Texts and Traditions – Guest Speaker presentation - Fr Elio Capra

Last Friday our Year 11s were fortunate to hear **Fr Elio Capra, a Salesian Priest**, speak about the Bible as a sacred text. Fr Elio took his audience on an engaging journey through Christ's life exploring cities in which Christ spent most of his life as well as asking students about their understanding of God. Fr Elio asked students to describe God in one sentence beginning with: *'To me God is like....'* Some wonderful student responses included that *'God is Love, God is Life'*. Fr Elio then asked our students: 'What did Jesus try to do with regard to the perception of God?' Fr Elio presented students with "The Parable of the Good Samaritan" (Luke 10:25-37) highlighting that in this Parable Jesus provides us with a summary of the central message of all four Gospels regarding how we live out our lives: -

"You shall love the Lord your God with all your heart, and with all your soul, and with all your strength, and with all your mind; and your neighbour as yourself." Luke 10:27-28

We were very blessed to leave Fr Elio's presentation with a deeper understanding of The Parable of the Good Samaritan. As Fr Elio stated: 'This story must come alive in our community. When we help the poor in society, **we are holding Christ in our hands.'**

menALIVE Ministry – Upcoming Events for 2015

The Challenge of Fatherhood Today – A Day for Father's

As a partner school of menALIVE Ministry, I recommend this event for fathers in our community. Please see the flyer attached for event and registration details.

Parish Men's Weekends:

menALIVE is a National Catholic Ministry for Men. Since our founding in 2003 menALIVE has run 265 events in 25 diocese in Australia and New Zealand for more than 15,500 men.

menALIVE began by organising weekends for men in parishes - what better place to discover a supportive community of men than in your backyard? The experience of men gathering together at a menALIVE weekend is dynamic and powerful. Many men are inspired, encouraged and feel that they have a new sense of purpose and mission. Come along to a menALIVE weekend near you and discover what it means to be fully alive - click on the brochure below and register you and a friend today.

PARISH WEEKENDS

Narre Warren	March 14, 2015
Warragul	March 22, 2015

God Bless,

Riccardo Luele
Head of Secondary Religious Education.

SECONDARY LEARNING AND TEACHING NEWS

On Friday March 27, your child's **Term One Interim Report** will be uploaded to our Parent Access module (PAM) so that you can have an overview of how your son/daughter has settled in to study this year. Following this will be Parent Student Teacher interviews on Tuesday April 14 from 10am-8.00pm when your family will be able to engage with teachers to discuss your child's progress.

Please access PAM regularly to read daily notices and attendance information. As the year progresses, more student assessment and feedback will be available for you to look view.

A reminder that we expect students to be at school every day of scheduled lessons, except when precluded by illness. Parents wishing to arrange **holidays during term** need to notify the Deputy Principal (Secondary) for authorisation, specifying the time of absence and return dates. Academic achievement is severely compromised by extended absences and Marymede recommends in the strongest of terms that family holidays be limited to school breaks. VCE students away on a holiday when a SAC is scheduled cannot apply for an extension and will not be able to access a grade. They will be required to complete a redemption task upon returning in order to satisfy Unit requirements.

As Marymede continues to expand its **contemporary learning experiences**, all students from Years 7-10 will be making use of the digital resource **Mathspace** in their Mathematics classes.

Access is purchased through our text supplier Atlas and it is an essential part of the learning program for all students. Upon paying your fee, Atlas will notify the College and we will provide your child with their access codes. Please ensure you support your child's academic attainment by paying the requisite fee as soon as possible if you have not already done so.

Mrs. Andrea Agnew
Head of Learning and Teaching

ANZAC Spirit

Marymede Catholic College is delighted to announce that James Manoussakis, Year 9, was selected by Australian Catholics Magazine to contribute an article to its April 2015 issue on the topic 'What the ANZAC Spirit Means to Me'. We have republished the article below and congratulate James on his excellent work.

Premier's Victorian Spirit of ANZAC Prize 2015

On Friday February 6, Adrian Pieri (Year 11) was presented by the Honourable Daniel Andrews, Premier of Victoria, with a certificate as a finalist in the Premier's Victorian Spirit of ANZAC Prize for 2015. He was accompanied to Queens Hall Parliament House by his proud mother, Mrs Teresa Pieri. This year the competition attracted 650 entries and Adrian was one of 29 finalists selected.

Adrian entered the competition last year with an entry entitled 'Then and Now' that used both poetry and art to explore how youth of today understand the ANZAC legend. In December he was interviewed by a panel of judges from the Victorian Education Department, R.S.L and the Shrine.

His prize is a trip to Canberra to visit the National War Memorial, the National Archives and the Australian Parliament in late June. Congratulations, Adrian, on this wonderful achievement.

National Youth Science Forum 2015

Michael Manoussakis (Year 12) has just returned from Canberra where he attended the National Youth Science Forum 2015 sponsored by Rotary. This annual Forum gathers the best and the brightest from around Australia who expect to pursue a career in science. As part of the program, students visit a variety of science facilities in Canberra, listen to eminent scientists, participate in debates and enjoy social activities they bond together making friendships which may endure a lifetime.

If you are interested in applying for this Forum please talk with Michael regarding the rigorous process that resulted in him being accepted to this prestigious program.

Mrs Moira Christie
Head of English

Year 10 Premier League

Thursday, February 19 marked the official start to the **Year 10 Premier League Season**. We had our basketballers, volleyballers, netballers and soccer players rearing to get the season underway and ready to hit the court or pitch for their chosen sport. Marymede was up against Kolbe Catholic College and there was some tough competition amongst the various sports that were played on match day with the following results:

Basketball – boys	50-30, win	Diamond Valley Basketball Stadium
Basketball – girls	45-31, defeat	
Volleyball – girls	3-2 sets, win	Epping Leisure City
Volleyball – boys	1-3 sets, defeat	
Soccer – boys	4-0, win	Diamond Valley Basketball Stadium
Soccer - girls	Nil-all, draw	

It was a pleasing start for Marymede Catholic College and we'll provide an update for the results of Round 2 v. St Monica's College in the next newsletter.

Good luck to all teams and Coaches!

Rebecca Stellini
AFL Trainee & PE Assistant

Visual Arts and Technology

The September 2014 **Whittlesea Show** was a spectacular event and recently prizes arrived at Marymede and were presented at Guild Assemblies. We are proud to have had so many exceptional entries into the Arts division. In all, 38 students received cash prizes for their efforts and several were awarded Highly Commended. We would like to congratulate all of these budding artists for their achievement and their creative talent.

Onto other exciting news, Marymede is having its first Visual Arts week this year, commencing on Monday May 4 and running throughout the week. There will be activities for all students to get involved in and to showcase their artistry. More about Arts Week to come!

Elise Chan
Marymede Art Captain for 2015

TORQUAY SURF CAMP

Students studying Unit 1 Outdoor and Environmental Studies are to be commended on their exceptional participation and involvement in our first term surf camp at Torquay, February 19-20. The class of 11 students were involved in two surfing sessions allowing them to refine surfing skills and water competency. Conditions were favourable for beginners on both days, with 2-3 foot waves and some off-shore winds on Friday. Some students were happy to continue practising skills in the whitewash while many students demonstrated confidence catching waves from further out. In the afternoon, students toured Surf World, the largest Surf Museum in the southern hemisphere, explored the tidal rock pools and engaged in learning and reflection activities. This program was instrumental in developing further understanding of the key knowledge and skills of human response to nature. Miss Zappulla would like to thank Mr Liam McCormack for his attendance and enthusiasm on camp and the College for their on-going support of the Outdoor Education program at Marymede.

This squad of 20 is the largest that has ever progressed to Regionals and I wish them all the best for March 11.

Mr Gerrard Large
Head of Primary Guild and Sport

HEAD OF PRIMARY

Teachers commence yard duties at 8.20am in the morning and complete afternoon yard duties at 3.40 in the afternoon. If you need to drop your children off before 8.20 or collect children after 3.40 it is recommended that you take advantage of the wonderful **before and after school care service** provided at Marymede Catholic College by Camp Australia.

For the safety of all members of our school community I ask that people driving through the **drop off and pick up area** in the Primary School do so with consideration and respect for each other. At times this area can become very busy. Teachers on duty are responsible for the safe transit of students in this area and so please support them by not distracting them from their essential duty.

Alison Besselaar
Head of Primary School

PRIMARY LEARNING AND TEACHING NEWS

Introducing the Coordinator of Learning Enhancement

As the Primary School's new Coordinator of Learning Enhancement, I am excited about the prospect of working with staff, students and parents. The provision of inclusive education for all students is an important part of Marymede's vision. One of my initial goals is to foster a greater sense of collaboration to improve the quality of tailored services afforded to our students. Ultimately, my goals centre around the practices of differentiating curriculum becoming second nature to all of Marymede's educators. Having spent my career working across public and private sector, serving children with diverse needs and their families, I am passionate about the education of all students. Teachers, students and parents are welcome to make a time to visit me in House 5 on days 1, 4, 5, 6 and 8.

Sandra Sartor
Learning Enhancement Coordinator

Sports

On Monday, March 2, 25 students from the Marymede Swim Team participated in the Whittlesea Division Swimming Carnival.

Congratulations to Bianca Bothma, Lauren Venhardt, Mark Pegoraro, Jessica Magro and Damien Trenevski who progressed through to the third round in individual events.

The following relay teams also progressed to regionals:

- 10 year old girls and boys
- 11 year old girls and boys
- 12/13 year old boys.

WHOLE SCHOOL NEWS

Music

We are very fortunate at Marymede Catholic College to have a Classroom Music **Program** which encourages many co-curricular activities. The students love what they do in class and want to extend their knowledge by playing more at recess and lunch times. The department is a buzz of excitement throughout the day and it is wonderful to see the enthusiasm many students have for playing in groups and creating new music. Below is a picture of **Giovanni Sawali in Year 8 (Romero 1)** playing the Violin with Mr Djukic playing Cello. Giovanni is a fantastic musician and he is practising his part for our upcoming Lent Liturgy, to be celebrated at the end of the term.

Musical Futures Australia Professional Development Day

Marymede Catholic College is a Musical Futures Australia 'Champion School'

<http://www.musicalfuturesaustralia.org/marymede-catholic-college.html>

One of the attractions of being a 'Champion School' is that we are able to host professional learning days for local music teachers wishing to enhance their music teaching skills. Marymede Catholic College will be hosting its inaugural Musical Futures Australia Professional Development Day On Monday March 16. For further details please see the flyer below, or visit:

<http://www.musicalfuturesaustralia.org/register-for-2015-training-here.html>

Kevin Carville
Head of Music

REGISTRAR NEWS

New Students

Marymede Catholic College welcomes the following new students who commenced this past week and their families to the College:

Elise Di Cecco – Year 10
Sumit Kudav – Year 9

2016 Enrolments

Applications for Year 7 2016 are now closed, and our second round of enrolment interviews took place this week. Formal letters of offer will be posted home on Friday April 24, 2015.

Applications for Prep 2016 are now open and will close on May 15, 2015.

Email Addresses

Our College uses email as a major form of communication to families and will continue to do so in 2015. Please ensure that your family has supplied the College with a valid and current email address to avoid missing out on valuable information regarding news and events. It is a College requirement for all families to have a minimum of one valid, working email address. To submit an email address or check your existing email address, please contact the College or email registrar@marymede.vic.edu.au .

School Bus Service

Final payments for the Semester One bus service were due last Friday. From this point forward any student without a valid, paid in full bus pass (including Casual), will not be permitted onto the bus under any circumstances.

Matthew Luczek
Registrar

BUSSINESS OFFICE

Business Office

2015 Fee Accounts – All fee accounts must be Paid in full or Payment Authority Form returned to the College by Friday 27th March

The college community as a whole has taken advantage of the payment options offered and the 5% discount (Tuition Fee) for full payment.

To assist with the popularity of this we have extended payment in full discount to the end of term. Payments made by 27th March will eligible for 5% Discount of the Tuition Fee.

Payments can be made by Direct Debit into College Account, Credit Card via telephone, or by person at Front Reception.

Any family who have not made full payment of their fees by this date, **MUST** complete the Payment Authority Form to commence regular weekly, fortnightly or monthly payments by Friday 27th March and take advantage of other discounts the college has offered.

Please contact Yvonne Upton (Finance Department) to make full payment, or complete and return a Payment Authority form.

Mr. Paul Romanin
Business Manager

Upcoming Events

Welcome to a new feature of the Marymede Catholic College newsletter. At the end of each newsletter, we will provide a snapshot of upcoming events across the College for the next few weeks to aid in your planning and organisation at home.

Week 6	
9/03/2015	Labour Day Public Holiday
10/03/2015	Chisholm Guild Mass, 11.30am, Chapel
