## FROM THE PRINCIPAL

Dear Parents, Students, Staff and Friends of Marymede Catholic College,

The first term holidays are just around the corner and I encourage all members of the Marymede Community to reflect upon the significance of Easter over the break. The death and resurrection of Jesus are important for all Christians bringing hope and meaning to our lives as we reflect on Christ's example of how to live in the light of His sacrifice. Jesus offers forgiveness and the hope of eternal life. It is a time to reconnect to Him and His teachings.

### Catholic Education Week

This week all Catholic schools celebrated Catholic Education Week. The theme of the week was "Seek God with all your heart". Mass was celebrated at St. Patrick's Cathedral last Tuesday. More than 2,000 students including representatives from Marymede Catholic College took part in the Eucharist and the principal celebrant was Archbishop Denis Hart. Marymede is first and foremost a Catholic school trying to be true to the Gospel.

### Interim Reports

Next week staff will finalise their interim reports. These will be available for parents via PAM from Friday March 27. While it is difficult at this early stage to report on all areas of our students' progress, it is important that parents are informed about how their children are performing. This applies to Secondary students only.

### Parent/Teacher/Student Interviews

These interviews will be held over two days. Both the Primary and Secondary staff will be conducting interviews from 10.00am-8.00pm on Tuesday April 14. The Secondary school will have additional P/T/S interview times on Monday April 27 from 4.00pm-7.00pm. The Primary interviews will take place in the teacher's classrooms whilst the Secondary interviews will be held in the Fitness Centre. All interviews will be of 10 minutes duration. I urge parents to make a booking to meet with your child's teachers. It is important that students attend the interviews with their parents so that they can be involved in discussions regarding their progress.

### Staffing News

Mrs Kate Tornese will be taking Maternity Leave from next Monday. We wish Kate a restful time in the lead up to the birth of her first child.

### Winter Uniform

Given our earlier start for Term Two, I am happy to delay the wearing of the full school winter uniform until Monday April 20.

### Staff Professional Development Day – Monday April 13

All of our staff will be participating in a Professional Development day on Monday April 13. Our facilitator is the very well-known Jesuit Priest Fr. Richard Leonard who will be presenting "Lights, Camera & Action" which will address the impact that media/social media is having on children today. I very much look forward to the day.

### Term 1

Reflecting back on a busy Term 1, I congratulate staff and many of our students for the way they have adapted. I trust that all students have by now established good study patterns, both at school and at home. Our senior students have the opportunity over the holidays to evaluate what has been achieved and, if necessary, put in place strategies to improve. Those who do so are taking responsibility for their own learning.

The College will close for the first term holidays on Friday March 27. Classes resume on Wednesday April 15 and the next Newsletter will be available in the first week of next term.

I wish members of our Marymede Community an enjoyable vacation.

**Kind Regards,**  
**Mr. Michael Kenny**  
**Principal**

## FAITH AND MISSION NEWS

The theme of Catholic Education Week 2015 is "Seek God with all your heart", celebrated from March 15–22 by all Catholic schools in Victoria. It was a good time to reflect on some important questions about our identity as a Catholic school.

- How are we different from non-Catholic P-12 schools?
- What is different or special about being educated in a Catholic school?
- What are some of the challenges we face in educating our students to take their rightful place in society as citizens with a moral and ethical framework derived from the life, mission and teaching of Jesus Christ?

As a Catholic school, our mission and our calling is making Christ known to every student entrusted in our care and, as

we fast approach Holy Week, we also ask ourselves: what are some of the ways in which we as a believing community have sought God during this season of Lent?

Daily Morning Prayer has focused on developing a greater awareness of justice in our students by visiting the Caritas Australia website and looking at Catholic Social Teaching on matters of justice.

A number of Secondary students have spent their lunchtimes rehearsing for our Liturgy 'From Crib to Cross' taking place on Monday March 23. These students have embraced the words: "For God so loved the world that He gave His only Son, so that everyone who believes in Him will have everlasting life" (John 3:16) in re-enacting the meaning and message of the events of Holy Week.

Over the next few weeks, as we walk the journey with Jesus from the events of the Last Supper to Easter, let us seek Him with a humble and sincere heart in our home, our school and our places of work.

**Ms. Judeline Wadhvani**  
**Head of Faith & Mission (P-12)**

## Year 12 Retreat – Theme: Relationships

*Right into the spirit of the Retreat*

*Successful relationships involve teamwork*

*The inspirational Fr Rob Galea – voted by all Year 12s as best session presenter*

*Session with Mr Kenny*

## Student Voice

"The highlight for me at the retreat was Fr. Rob's session. Such an inspiring and entertaining guest speaker, and really captured my attention with his passion and music...Being a leader means doing things that are normally out of your comfort zone, and as Fr. Rob said, "it's better to do it scared, than not do it all." Since the Retreat, I have been using this quote to challenge myself and do things I normally would be too scared to do, because life is full of experiences and opportunities" *Evelin Thomas*

"The Retreat gave us a chance to be away from the regular school environment and connect with each other in a more intimate and personal way and to strengthen

our relationships each other through the numerous activities." *Keeley Henderson*

"The Year 12 Retreat was a great opportunity...to develop our relationships with our friends and peers on a more personal level, and we also had time to reflect on our involvement in different social areas in our lives, including our families and school community. Under the guidance of Fr Rob Galea, we explored concepts including trust and belonging within the context of our faith and our youth, and his speech was a definite highlight of the Retreat. Overall it was a very positive and constructive experience; one which has left us refreshed and ready for the difficult year ahead. *Michael Manoussakis*

## Parent Retreat Reflections

"At first I was a bit apprehensive about this retreat, I questioned whether young adults would benefit from such an event. Boy was I wrong... My son returned from camp with a different view of spirituality, faith and values. I could not be more proud of the school and my son."

"My daughter came back with a huge smile on her face and a very positive attitude. She said she loved the experience and learnt a lot about herself, and the importance of relationships."

"Our son particularly mentioned how impressed he was with the young priest who spoke to them and said Mass. He found him very involving and relevant to today's lifestyle. This is something very important for our children...Hopefully, this experience has cleared his head and made him more focussed on the difficult year ahead."

#### VCE Drama Excursions: 'Cut Snake' and 'Top Class Drama'

On Friday February 27, the Year 11 and 12 Drama classes went to Theatreworks, St.Kilda to view a performance of 'Cut Snake', a play on the 2015 VCAA VCE Drama Playlist. A non-naturalistic

## Chisholm Feast Day

The beginning of the 2015 school year has seen students of Chisholm Guild demonstrate an increasing sense of pride and enthusiasm for their Guild community which was particularly on display during our annual Chisholm Feast Day on March 10. During Mass, students were reminded of the wonderful work of Caroline Chisholm and called to model themselves on her by showing love and kindness to those around them. The Guild shared a fish 'n' chips lunch, celebrating with decorations and music in a fun and festive atmosphere.

We also launched our Chisholm Prayer, written by Year 12 student and 2015 College Community Leader Michael Nativo. It captures the qualities of Caroline Chisholm for students to aspire to and highlights the value of being part of the Chisholm Guild community.

Dear Lord,

We thank you for the life of Caroline Chisholm,  
That we can continue her life's work, see someone in  
need, and jump to the opportunity to help

As she did.

To go above and beyond what is expected of us; to strive  
to achieve our full potential

As she did.

To not submit when we are told to give up and persevere  
until success is achieved

As she did.

Together as Chisholm Guild we pray that we may live out  
the qualities that Caroline Chisholm displayed, and that  
her message never fades through our thoughts, words  
and actions.

Let it be done, according to your word.

Mary our good mother, pray for us.

And let us always remember to pray for one another.

This prayer will be used for years to come and we thank Michael for his beautiful and inspiring words.

Thank you to all the staff and students who assisted in all aspects of our wonderful and successful Feast Day.

**Mrs. Rochelle Coyle**  
**Head of Chisholm Guild**

## VET Outdoor Recreation Certificate II Snorkel and Surf Camp

Students studying Certificate II Outdoor Recreation attended their first camp during March 2-3 and were exceptional in their participation and engagement. The camp enabled students to complete practical components for 3 elective units. Students went on a boat trip where they had the opportunity to refine and participate in snorkelling and rescue activities as well as swimming with seals and dolphins. With such perfect weather conditions and clear water, we were even fortunate enough to see a leatherback turtle. Students also had two surf lessons on Ocean Grove beach where they were able to refine and develop surf and surf rescue skills. Throughout the camp all students engaged in a positive manner and were able to enhance their knowledge and understanding of snorkel and surf activities. Miss. Kane would like to thank Mr. Luke Robinson and Miss.

Janelle Price for their attendance and enthusiasm on camp and the College for their ongoing support of the Outdoor Education program at Marymede.
