

April 2021

Dear residents and business owners

## Plenty Road Upgrade - Stage 2: Gordons Road to Stagecoach Boulevard traffic changes

The Plenty Road Upgrade will help you get home safer and sooner. We'll add a lane in each direction and upgrade 12 intersections between Bush Boulevard and Bridge Inn Road.

### What we're doing and when

From **8 April to mid-May**, we'll complete the new southbound lane between Stagecoach Boulevard and Gordons Road, and upgrade the Gordons Road intersection on the east side of Plenty Road. We'll upgrade the west side of the intersection in the coming months.

The works will involve:

- installing temporary traffic barriers
- digging and removing soil
- asphaltting
- concrete kerb and channelling works
- line marking

### What to expect

#### Traffic and transport changes

There'll be changed traffic conditions while we work. Please observe the signs for details and speed reductions. We'll keep you informed ahead of time with electronic message signs and our traffic controllers will be in place to guide you through the area.
