

Dear Parents,

Your child will be using Edrolo as an essential online VCE resource to support their studies in 2024. This resource has been comprehensively assessed and chosen by your child's teachers and the school as a core teaching and learning resource.

The following information outlines the key benefits of this resource for your child as they approach their final years at school, and how to pay for their online and/or hardcopy access via the **Edrolo Payment Portal**.

**Edrolo Payment Portal will be open from 20<sup>th</sup> November to accept payments.  
Payment must be made on your child's Edrolo account by 4th February 2024.**

- student self-study
- student feedback

### What does Edrolo cost?

- Edrolo Standard resource: \$30 (incl. GST).

### How do I pay via the Edrolo Payment Portal for my child's access?

Payment must be made via the online Payment Portal in your child's Edrolo account. As your child will be using Edrolo as a key resource in the subscribed subjects, please ensure payment is made as early as possible to ensure minimal disruption to their VCE studies.

[Payments can be made online through your child's Edrolo account from 20<sup>th</sup> November 2023 onwards.](#)

If payment has not been received by 4 February 2024, your child will be blocked from accessing all of their Edrolo courses until the balance has been paid in full (no later than March 14, 2024). As soon as account payment has been made, access to all courses will be restored. **Please ensure payment is made as soon as possible, as your child will have homework and classwork to complete on Edrolo through the summer break.**

Please see below for instructions on how your child can activate their Edrolo account in order to access the Payment Portal to complete payment.
